Annexure-1

(G.O.MS.No. 104, Industries and Commerce (Prog.III) Department, dt. 12.11.2015)

Implementation of Schemes

(1) **Introduction :-**

The Government of Andhra Pradesh launched a new Food Processing Policy 2015-20 vide G.O. Ms. No.57, Industries & Commerce (Programme III) Dept., dt.24.7.2015. The policy aims at making Andhra Pradesh State as one of the most preferred destinations for Industries in Food Processing Sector. It offers various incentives / benefits to all eligible Food Processing Enterprises being set up in the State.

(2) **Schemes included in the AP Food Processing Policy 2015-20**

1. **Scheme of Food Parks :**
   a) Integrated Food Parks
   b) Mega Food Parks
   c) Ultra Mega Food Parks

2. Scheme for setting up of Cold Chain for Agri / Horti / Dairy / Meat produce

3. Scheme of primary processing centres / primary collection Centres

4. Scheme of establishment of new food processing units

5. Scheme of technology Upgradation / Modernization of Food Processing Units.

6. Scheme for purchase Reefer Vehicles

7. Scheme for setting up / Modernization of Abattoirs

8. Scheme for setting up / Upgrading Testing Labs (including NABL accredited)

9. Scheme for Units set up to process waste produced in food processing units in identified clusters

10. Scheme for Marketing assistance

11. Scheme for quality certification / Patent Registration

12. Scheme to reimburse Road Transport charges to ICD / Port for export of perishable goods

13. Scheme to accelerate research and development in the Food Processing Industries

(3) **Implementing Agency:-**

Andhra Pradesh Food Processing Society (APFPS) shall be a Nodal Agency to implement the policy.

(4) **Administrative and Promotional expenses:-**

Andhra Pradesh Food Processing Society may utilize 5% of the actual expenditure incurred in a financial year for meeting the administrative expenses and 5% towards promotional expenditure.

(5) **Screening Committee :-**

State Level Screening Committee consists of

1) Secretary / Principal Secretary, Industries (FP) – Chairman
2) Director of Industries, AP or his nominee
3) Representative of Finance Department
4) Representative of State Level Bankers Committee (SLBC)
5) Managing Director, APSFC or his nominee
6) C.G.M NABARD or his nominee
7) C.E.O – A P Food Processing Society – Convenor

(6) **Sanctioning Authority :-**

State Level Empowered Committee with Chief Secretary as Chairman shall decide and accord project specific approvals of schemes processed in State Level Screening Committee. The Committee will have the following Members:

1) Special Chief Secretary / Principal Secretary, Agriculture
2) Secretary / Principal Secretary, Horticulture
3) Secretary / Principal Secretary, Finance dealing with Food Processing subject
4) Secretary / Principal Secretary, Animal Husbandry and Dairy
5) Secretary / Principal Secretary, Marketing
6) Secretary / Principal Secretary, Industries – Convener
7) Any expert to be co-opted with the orders of the Govt.,

SLEC may periodically meet to sanction, review and evaluate the implementation of the schemes in the State.

(7) **Selection Procedure :-**

(A) The selection of project Developers / SPVs for all types of Food Parks will be through EoI/Swiss challenge system.

(B) Selection of Developers of all other schemes will be through a open, transparent method through a newspaper advertisement.

(8) The District and State Level scrutiny / verification / sanction committees constituted as per the operational guidelines for implementing the Industrial Development Policy (IDP) 2015-20 will be the competent authorities for sanction of fiscal incentives.

(9) **Recall of Grant :-** SLEC will have the authority to recall the grant in case of mis-utilization of grants by the applicants.

a) If the project is not completed in time, even within the extended project period
b) If the grant released is utilized for the purpose other than the approved components.

(10) **Supervision and Monitoring :-**

Andhra Pradesh Food Processing Society (APFPS) will engage project management agencies to supervise and monitor the implementation of schemes under the policy.

1. **Objectives:**

1.1 The primary objective of the Integrated Food Parks Scheme (IFP) is to provide modern infrastructure facilities for the food processing along the value chain from the farm to the market. It will include creation of storage and processing infrastructure near the farm, transportation, logistics. The main feature of the Scheme is a cluster based approach. The scheme will be demand-driven, and will facilitate food processing units to meet environmental and safety standards.

1.2 The expected outcome is increased realization to farmers, creation of high quality processing infrastructure, reduction in wastage, capacity building of producers and processors and creation of an efficient supply chain along with significant direct and indirect employment generation.

2. **Salient Features of the Scheme**

2.1 The Scheme aims to facilitate the establishment of a food processing units. The infrastructure under the Scheme would be need based for storage, effluent treatment, water supply & treatment facilities, power supply, environmental protection systems, quality control labs, trade facilitation centres, etc.

2.2 The extent of land required for establishing the IFP is estimated to be minimum 30 acres, though the actual requirement of land would depend upon the business plan of investors.

2.3 It is expected that on an average, each project may have around 10 food processing units with a collective investment of around Rs 100 cr. that would eventually lead to an annual turnover of about Rs 200 cr. and creation of direct and indirect employment of about 5,000 persons. However, the actual configuration of the project may vary depending upon the business plan for each Integrated Food Park.

2.4 The spirit of the guidelines of the Integrated Food Park Scheme is to facilitate setting up of only food processing industries. Accordingly, only food processing industries that make food products fit for human/animal consumption may be permitted to be set up in the Integrated Food Parks. Packaging facilities of food products as ancillary to the food processing industries may also be allotted land in the Integrated Mega Food Parks.

3. **Pattern of Assistance**

3.1 The Scheme shall provide a capital grant at the rate of 50 % of the eligible project cost* subject to a maximum of Rs.20 cr. per project.

*The eligible project cost is defined as total project cost but excluding cost of land, pre-operative expenses and margin money for working capital. However, interest during construction (IDC) as part of preoperative expenses and fee to Project management consultant (PMC) up to 2% of the approved grant would be considered under eligible project cost.

3.2 In the interest of expeditious implementation of the projects, the APFPS would engage a Program Management Agency (PMA) to provide management, capacity building, coordination and monitoring support. For meeting the cost of the above and also other promotional activities by the APFPS, office expenses & travel expenses related to the scheme amounting up to 5% of the overall grant available, will be earmarked.
3.3. The project cost for the purpose of eligibility under this Scheme would consist of the following components:

3.3.1 Core Infrastructural Facilities:

I. Cost of civil work & equipments for common facilities like testing laboratory, dry warehouses, Silos, specialized storage facilities, cold storage including Controlled Atmosphere Chambers, pack house, Reefer vehicles, demo plot with agri. extension team in 5% of the total area etc.,

II. Preference will be given to the projects, which propose common processing facilities like cleaning, grading, sorting, drying, boiling, packing, IQF, pulping, irradiation and packing facilities etc.

III. The above mentioned facilities are only illustrative and the exact nature of facilities may vary from project to project based on specific requirements as appraised by the concerned bank. However, it is desirable to allocate at least 25% of the eligible project cost towards creation of above mentioned facilities.

3.3.2 Factory Buildings:

i. Depending on demand in the area, the Integrated Food Park may provide standard factory sheds for Micro and Small Enterprises (MSEs) which are to be built on a maximum of 10% of the area of IFP as part of plug and play facilities for MSEs.

3.3.3 Enabling Basic Infrastructure:

i. It will include site development including development of industrial plots, boundary wall, roads, drainage, water supply, electricity supply, effluent treatment plant, telecommunication lines, parking bay including traffic management system, weighbridges etc.

3.3.4 Non-core Infrastructure:

i. It will consist of support infrastructure such as administrative buildings, training centre including equipment, trade and display centre, crèche, canteen, worker’s hostel, offices of service providers, labour rest and recreation facilities, marketing support system, etc. However, the cost of non-core infrastructure facilities not exceeding 10% of the eligible project cost, would be eligible for grant purpose.

3.3.5 Project Implementation Expenses:

i. This would include cost of hiring the services of domain consultants by the SPV’s for preparation of DPRs, supply chain management, engineering/designing and construction supervision etc.

3.3.6 Land:

i. At least 30 acres of land for the project shall be arranged by the SPV either by purchase or on lease of at least 25 years with sub lease eligibility. The registered value of such land would be taken as part of the project cost and contribution/share of the SPV. The GoAP grant shall not be used for procurement/purchase of land.
4. Implementation Process:

4.1. Special Purpose Vehicle (SPV)

4.1.1. The responsibility of execution, ownership and management of the Integrated Food Park would vest with a Special Purpose Vehicle (SPV) registered under the Companies Act.

4.1.2. The Anchor Investor in the SPV holding majority stake, with or without other promoters of the SPV, will be required to set up at least one food processing unit in the park with an investment of not less than Rs. 5 cr.. The Anchor Investor will have at least 51% stake in such processing unit(s).

4.1.3. The Food Processing unit(s) to be set up by the Anchor Investor in the IFP will be completed and commissioned along with the commissioning of the IFP project by the SPV.

4.1.4. The preference for sanctioning assistance under the Scheme may be given to those SPVs which focus on processing of wide range of perishable products

4.2. Eligibility Criteria for SPV

4.2.1. The main eligibility criteria of the SPVs, which shall act as Implementing Agencies (IAs) of the project under the Scheme, are indicated below:

i. SPV shall be a body corporate registered under the Companies Act.
ii. The promoter holding maximum equity in the SPV will be the lead promoter. The lead promoter will be primarily responsible for co-ordination with all stakeholders including with the APFPS to ensure effective implementation of the project.
iii. The combined net worth of the promoters/proposed shareholders of SPV should not be less than Rs.20.00 cr. Each member in SPV must have a net worth at least 1.5 times of his/her proposed equity contribution in order to ensure requisite contribution for the project from each shareholder.
iv. The SPV needs to bring in at least 20 percent of the total project cost as equity.
v. Every SPV will publish the user charges/hiring rates for common facilities and lease rental rates for plots and factory buildings for MSEs in the Integrated Food Park on their websites for wider information of the prospective investors. Rate of plots in the Integrated Food Park may also be made available to APFPS for uploading on their website. SPVs are not permitted to sell plots/facilities in Integrated Food Parks and can only give plots/facilities on lease to other food processing units.
vi. The common facilities in the park cannot be sold or leased out. They can only be offered to units on rental basis.

4.2.2. As Implementing Agency, the SPV would be responsible for the following:

i. To formulate the Detailed Project Report (DPR) and execute the project in a transparent, efficient and timely manner.
ii. To procure/purchase land and ensure external infrastructure linkages for the project.
iii. To obtain statutory approvals/clearances including environmental clearances, which are prerequisite for commencement and operation of the Project.
iv. To achieve financial closure and ensure completion of the project.

v. To own and maintain the common infrastructure including common facilities.

vi. To receive grant-in-aid under the Scheme, and to ensure its utilization in a transparent and judicious manner.

vii. To maintain proper accounts of the project implementation and the maintenance of infrastructure and common facilities after commissioning of the project.

4.3. Program Management Agency (PMA)

4.3.1. APFPS will appoint a Program Management Agency (PMA) to assist it in implementation of the Scheme. The PMA will be a reputed institution with extensive experience in project development, management, financing and implementation of infrastructure projects.

4.3.2. The envisaged role of PMA is as follows:

i. To assist the APFPS in organizing workshops/media campaigns aimed at sensitizing the potential stakeholders about the scheme.

ii. To assist the APFPS in inviting Expression of Interest for projects under the Scheme.

iii. To assist the APFPS in selection of projects through evaluation/appraisal of techno-feasibility reports and DPRs submitted for Integrated Food Park projects. Appraisal of the DPRs will include examination of financial viability and sustainability of Ownership & Management structure of the projects.

iv. To assist in the evaluation of any amendments to the projects/DPRs.

v. To assist the SPVs in achieving financial closure and obtaining necessary clearances from various authorities for the Project.

vi. To assist the APFPS in release of the grant under the Scheme.

vii. To monitor and report the progress of the Mega Food Park projects to the APFPS.

viii. To maintain and update the database of the projects on monthly basis in the software decided by the APFPS.

4.4. Project Management Consultant (PMC)

4.4.1. In addition to the PMA, for ensuring smooth implementation of projects at ground level, APFPS will provide a list of Project Management Consultants (PMC) with experience in preparation of DPRs for large projects and in project implementation. Any of these APFPS’s empanelled agencies may be engaged by the SPVs for preparation of DPRs and for assistance in implementation and the cost of which would be considered as one of the eligible components of the project. However, such cost should not exceed 2% (inclusive of taxes) of the eligible grant amount of the project. The list of agencies will be provided by APFPS.

4.4.2. In addition to assisting SPV in finalising business plan and preparing Detailed Project Report for the project, which would meet the guidelines of the Scheme and requirements of banks/financial institutions providing term loan for the project, the envisaged role of PMC, inter-alia, would be as follows:

i. Detailed engineering and design including preparation of detailed cost estimates for various project components/facilities,

ii. Assistance to SPV in preparation of a procurement policy, bid documents and
selection and appointment of contractors/equipment suppliers in a transparent manner, for project construction and supply of plant and machinery,

iii. Monitoring and overseeing the work output of the contractors/equipment suppliers in compliance of the terms and conditions of the contracts/appointments with the objective of ensuring quality, completeness and compatibility of the work carried out in relation to the Project,

iv. Assistance to SPV in preparing all necessary documentation for submission to APFPS in order to facilitate release of funds sanctioned under Scheme

v. Assistance to SPV in submission of Monthly Progress Reports to APFPS in prescribed format.

4.4.3. SPV would enter into an agreement with PMC as per Draft Agreement prepared by the APFPS and any change in PMC later needs to be approved by the APFPS.

4.4.4. While PMC would be working primarily with SPV for smooth implementation of the project, the APFPS may, if required, directly seek reports from PMC on the aspects of project implementation.

4.5. Invitation of Proposals

4.5.1. In response to the notice inviting Expression of Interest (EoI) by APFPS for selection of Projects, a proposal for the proposed Integrated Food Park will be submitted by the promoters/SPV. An illustrative list of points to be covered in the proposal along with EoI is provided at Annexure-B. The proposal will be evaluated by the APFPS through the PMA, as per criteria given at Annexure-C.

4.5.2. The proposal would have tentatively identified the locations of the CPC and PPCs, availability of land, potential investors for food processing units in the park, proposed level of investment including the estimated project cost and the proposed means of finance, the number and type of food processing units. The proposals having ownership and possession of suitable land with Change in Land Use (CLU) for the project will be given preference.

4.5.3. Suo Motu proposals will also be considered, for which a Swiss Challenge process would be adopted for Sanction.

4.6. In-Principle Approval

4.6.1. The proposal received in response to the EoI proposals will be evaluated by the Program Management Agency (PMA). The applicants will be invited to make a presentation of their proposals before the Screening Committee (SC) to be formed by Govt. of AP for the purpose.

4.6.2. The PMA will undertake evaluation on a scale of 100 points on the basis of EoI proposals while the SC will provide their comments / observations on the basis of the presentation made by the applicants. The final evaluation report along with the comments / observations of the SC will be placed before the State Level Empowered Committee (SLEC) for consideration of “In-Principle Approval” to the projects. The evaluation criteria for PMA is placed at Annexure-C.

4.6.3. If the SPVs fail to submit the requisite DPRs along with other documents needed for Final Approval, within 6 months from the date of issue of “In-Principle Approval”, the “In-Principle Approval” will be automatically cancelled, unless extension of time is granted by the APFPS.
4.7. **Final Approval**

4.7.1. Project will be accorded Final Approval on fulfilment of the following conditions:

i. Submission of Detailed Project Report (DPR) consisting of technical, commercial, financial and management aspect of the project and its appraisal/recommendations of the PMA and Screening Committee. The DPR should include cluster analysis depicting availability of raw materials, legible contour survey report and contour plan/maps of the proposed land, site analysis for element like soil analysis, flood history, onsite features etc. for realistic cost estimate of land development and construction, detailed master plan along with sectional drawings and building plan with legends giving clear picture/title of drawings and other relevant details, construction cost certified by Chartered Engineer, cost of plant and equipment backed with quotations from equipment and machinery suppliers etc. and its appraisal/recommendations of PMA and Screening Committee.

ii. Submission of proof for possession of at least 50 acres of contiguous land by the SPV for the CPC. The land should have permission for change of land use for industrial/infrastructure purposes.

iii. Submission of proof for incorporation of SPV and execution of Share Subscription Agreement (SSA) amongst the members of SPV, as per draft SSA to be given by the APFPS.

iv. Plan to fund the project duly supported by proposed equity contribution clearly suggesting respective cash contribution from each of the shareholders in proportion to their equity holding and sanction letter of term loan from the bank along with bank appraisal report.

v. Proof of appointment of Project Management Consultant (PMC). The PMC for the project should be selected from the agencies empanelled by APFPS.

5. **Dovetailing of Assistance and Revisions in Project Cost**

5.1. Considering the complexities and challenges associated with a supply chain linked agricultural infrastructure projects of this nature, the SPV may dovetail assistance available under various other schemes of Central and State Governments, which would improve the viability of the projects. While dovetailing such assistance, it will be ensured that there is no duplication of assistance for the same component/activity of the project.

5.2. The revision in project cost after final approval of the project shall be considered by the SLEC.

6. **Release of Funds**

6.1. Once the project is accorded Final Approval by the SLEC the grant will be released by the APFPS subject to fulfilment of conditions prescribed for each instalment as below:

6.1.1. First Instalment of 20 percent of total grant under the Scheme will be released subject to fulfilment of following criteria:

i. Establishment of Trust and Retention Account and signing of the TRA Agreement with any Schedule - A Commercial Bank and Regional Rural Banks (RRB). Draft TRA Agreement, clearly giving mode of account operation and duties/responsibilities of lending bank, SPV and PMC, would be shared by the APFPS with SPV.
ii. Representative of State Government will be appointed as a nominee on the board of the SPV. Tenure of the nominee will be co-terminus to the operationalization of the project.

iii. Proof of increase in authorized capital of SPV to allow stipulated equity contribution as per approved means of finance for the project.

iv. Expenditure certificate from Chartered Accountant confirming expenditure of at least 10 percent of the eligible project cost.

v. Award of contracts worth at least equivalent to 30 percent of total project cost including at least 20 percent of approved components of basic enabling infrastructure.

vi. Recommendation of PMA confirming the fulfilment of above conditions.

6.1.2. Second Instalment representing 30 percent of approved grant assistance will be released to SPV subject to fulfilment of following criteria:

i. Utilization Certificate for the 1st instalment.

ii. Proof of proportionate expenditure by SPV (including term loan and equity) of the eligible project cost equivalent to percentage of grant released as 1st instalment.

iii. Proof of proportionate contribution by SPV (including term loan and equity) in TRA account, of the eligible project cost equivalent to percentage of grant to be released as 2nd instalment.

iv. Proof of commencement of construction of Standard Design Factory sheds for SMEs.

v. Recommendation of PMA confirming the fulfilment of above conditions.

6.1.3. Third Instalment representing 30 percent of approved grant assistance will be released to SPV subject to fulfilment of following criteria:

i. Utilization Certificate for the grant released as 2nd instalment.

ii. Proof of proportionate expenditure by SPV (including term loan and equity) of the eligible project cost equivalent to percentage of grant released as 2nd instalment.

iii. Proof of proportionate contribution by SPV (including term loan and equity) in TRA account, of the eligible project cost equivalent to percentage of grant to be released as 3rd instalment.

iv. Certificate from PMC confirming completion of at least 40 percent of the total proposed cost as per approved DPR.

v. Certificate from PMC confirming completion of at least 50 per cent construction of Standard Design Factory sheds for SMEs.

vi. Proof of allotment of at least 25 per cent of total allotable plots.

vii. Recommendation of PMA confirming the fulfilment of above conditions.

6.1.4. Fourth and final Instalment representing 20 percent of approved grant assistance will be released to SPV subject to successful completion of project and commencement of operations. The criteria for completion of project are as follows:

i. Utilization Certificate for the grant released as 3rd instalment.

ii. Proof of expenditure of 100% envisaged contribution of SPV including term loan and equity on the approved project components.

iii. Certificate from PMC confirming completion of the project as per approval.

iv. Proof of allotment of at least 75 percent of total allotable plots and commencement of operations in at least 25 percent of the units.

v. Completion and Commissioning of the Processing unit (s) of the Anchor Investor in the Park.

vi. Recommendation of PMA confirming the fulfilment of above conditions.
6.2. Separate bank account as stipulated in Trust & Retention Account (TRA) Agreement shall be kept by the SPV for the funds released by Government of Andhra Pradesh.

6.3. In the event of any SPV withdrawing from executing a project before utilizing the Government assistance, the SPV has to immediately return the Government assistance together with the interest accrued thereon, in accordance with provision laid under GFR 19 as defined by Government of India.

6.4. SPV shall have to submit a Utilization Certificate (UC) for utilization of amount of grant released by the Government as per provisions of General Financial Rules. A format of the Utilization Certificate (UC) is given as per Annexure-E.

7. Time Schedule

7.1. The time schedule for completion and operationalization of project will be 24 months from the date of issuance of final approval and 10 months for submission of documents for release of 1st instalment unless extended by SLEC for the reasons to be recorded.

7.2. The SPV shall make all possible efforts to complete the projects as per the stipulated timelines committed to while seeking approval for the project. In case of non-adherence to stipulated timeline, except in case of force de majeure or reasons beyond the control of SPV, the SLEC may consider imposing appropriate penalty in terms of reducing the grant amount, on case to case basis.

8. Project Monitoring and Evaluation

The APFPS will periodically review the progress of the projects under the Scheme. The PMA would devise a suitable project monitoring system and shall furnish monthly reports/returns to the APFPS on the progress of the approved projects. In so far as interpretation of any of the provisions of these Guidelines is concerned, the decision of the SLEC shall be final.
Annexure-B

The list of the Points / Information to be covered in the EoIs / Proposals

(The objective of this Checklist is to facilitate the potential promoters to submit the proposal covering the salient features of the proposed Project, to enable the assessment of the project against the criterion as listed in Annexure B)

1. Profiles of the Promoters who will be the key shareholders of the Proposed SPV
   1.1. Names and brief profiles of the proposed promoters/shareholders of SPV along with their contact details.
   1.2. Indicate the nature and location of existing operations of the Promoters.
   1.3. Audited balance sheets for last 3 years or Chartered Accountant (CA) Certificates that would establish the net worth of each of the promoters. In case of companies, CA certificates need to be certified by their statutory auditors.
   1.4. Experience of the key promoters related to food processing industry and related infrastructure development, particularly the relative strengths of each of the promoters that will help in the smooth execution of MFP.
   1.5. A brief note as to why the promoters are keen to undertake the Integrated Food Park project, their vision etc.
   1.6. In case the SPV is already registered, the details of the SPV including shareholding pattern.
   1.7. Any other relevant information that would establish the credentials and suitability of the promoters in the context of the Scheme.

2. Profile of the Proposed Project
   2.1. Rationale for proposed cluster/location in terms of availability of agricultural produces and marketable surplus, with focus on perishable produces.
   2.2. Proposed Area and availability of requisite land for establishment of IMF along with tentative layout.
   2.3. selection of site needs to be justified in terms of connectivity and availability of basic infrastructure including power, water, approach road etc.
   2.4. In case of land being available with promoter(s), proof of possession of land in form of sale deed/lease deed (CLU if applicable).
   2.5. Details of the proposed core infrastructure facilities and rationale for their selection in terms of availability of raw materials/market and type of food processing units being targeted.
   2.6. Details of proposed enabling basic infrastructure including requirements of basic utilities like power, water, effluent treatment along with rationale in terms of overall business plan.
2.7. Details of proposed non-core infrastructure and their justification

2.8. Above details for various project components should include area required, estimated capacities and costs for various facilities

2.9. Proposed strategy/methodology for building supply chain to ensure supply of raw materials, particularly fruits and vegetables, to the food processing units inside CPC, including estimated quantities

2.10. Proof of backward and forward linkages in terms of letters of intent from farmers’ bodies and food processors respectively

2.11. Estimated turnover of the proposed food processing industry units covered in the project, after successful execution of the project

2.12. Estimated employment generation out of implementation of the project, and other impact on the industry and farm produce in the project area

2.13. Investment details, mix of the products and processes and area requirement of the processing unit(s) to be set up by the Anchor Investor in the park.

3. Project Financials and Business Plan

3.1. Summary of estimated cost of each of the eligible components of the project for funding by Government as outlined in the Scheme

3.2. Proposed means of finance to fund the project: equity, debt etc

3.3. The amount of grant support needed for the project, as per the Scheme

3.4. Tie-ups with Financial Institutions/Banks, if any, for funding of the Project

3.5. Proposed Business Plan –Estimated revenue sources and assumptions, Estimated operating costs and assumptions, Projected profit and loss statements, balance sheets and cash flows based on these assumptions

3.6. Key financial indicators such as IRR, DSCR based on above financial assumptions

**Total Points** 100
1. **Objectives:**

1.1. The primary objective of the Mega Food Park Scheme (MFPS) is to provide modern infrastructure facilities for the food processing along the value chain from the farm to the market. It will include creation of processing infrastructure near the farm, transportation, logistics and centralized processing centres. The main feature of the Scheme is a cluster based approach. The scheme will be demand-driven, and will facilitate food processing units to meet environmental and safety standards.

1.2. The expected outcome is increased realization for farmers, creation of high quality processing infrastructure, reduction in wastage, capacity building of producers and processors and creation of an efficient supply chain along with significant direct and indirect employment generation.

2. **Salient Features of the Scheme**

2.1. The Scheme aims to facilitate the establishment of a strong food processing industry backed by an efficient supply chain, which would include collection centers, primary processing centres and cold chain infrastructure. The food processing units, under the Scheme, would be located at a Central Processing Centre (CPC) with need based common infrastructure required for processing, packaging, environmental protection systems, quality control labs, trade facilitation centres, etc.

2.2. The extent of land required for establishing the CPC is minimum of 50 acres, though the actual requirement of land would depend upon the business plan of investor(s), which may vary from region to region. CPC would be supported by Primary Processing Centers (PPC) and Collection Centres (CCs) in identified locations based on a techno-feasibility study, adequate to meet the raw material requirements of the CPC. The land required for setting up of PPCs and CCs at various locations would be in addition to land required for setting up the CPC.

2.3. It is expected that on an average, each project may have around 20 food processing units with a collective investment of around Rs 250 cr. that would eventually lead to an annual turnover of about Rs 500 cr. and creation of direct and indirect employment of about 30,000 persons. However, the actual configuration of the project may vary depending upon the business plan for each Mega Food Park. The aggregate investment in CPC, PPCs and CCs should be proportionate and commensurate to the size of the total project keeping in view the economies of scale.

2.4. The spirit of the guidelines of the Mega Food Parks Scheme is to facilitate setting up of only food processing industries. Accordingly, only food processing industries that make food products fit for human/animal consumption may be permitted to be set up in the Mega Food Parks. Packaging facilities of food products as ancillary to the food processing industries may also be allotted land in the Mega Food Parks.

3. **Pattern of Assistance**

3.1. The Scheme shall provide a capital grant at the rate of 50% of the eligible project cost* subject to a maximum of Rs 50 cr. per project.

*The eligible project cost is defined as total project cost but excluding cost of land, pre-operative expenses and margin money for working capital. However, interest during construction (IDC) as part of preoperative expenses and fee to Project management consultant (PMC) up to 2% of the approved grant would be considered under eligible project cost.
3.2. In the interest of expeditious implementation of the projects, the APFPS would engage a Program Management Agency (PMA) to provide management, capacity building, coordination and monitoring support. For meeting the cost of the above and also other promotional activities by the APFPS, office expenses & travel expenses related to the scheme amounting up to 5% of the overall grant available, will be earmarked.

3.3. The project cost for the purpose of eligibility under this Scheme would consist of the following components:

3.3.1 Core Processing Facilities:

i. **Central Processing Centre**: Cost of civil work & equipments for common facilities like testing laboratory, cleaning, grading, sorting and packing facilities, dry warehouses, specialized storage facilities, cold storage including Controlled Atmosphere Chambers, Pressure Ventilators, variable humidity stores, pre-cooling chambers, ripening chambers, demo plot with agri extension team in 5% of the total area etc., skill development training facilities suiting to the requirements of Processing Units coming up in the Food Park, cold chain infrastructure including reefer vans, packaging unit, irradiation facilities, steam sterilization units, steam generating units, Food incubation cum development centres etc.

ii. **Primary Processing Centres and Farm Proximate Collection Centres**: These shall have components like cleaning, grading, sorting and packing facilities (including equipment), dry warehouses, specialized cold stores including pre-cooling chambers, ripening chambers (including equipment), reefer vans, mobile pre-coolers, mobile collection vans etc.

iii. The above mentioned facilities are only illustrative and the exact nature of facilities may vary from project to project based on specific requirements as appraised by the concerned bank. However, it is desirable to allocate at least 25% of the eligible project cost towards creation of above mentioned core processing facilities.

3.3.2 Factory Buildings:

i. Depending on demand in the area, the Mega Food Park may provide standard factory sheds for Micro and Small Enterprises (MSEs) which are to be built on a maximum of 10% of the area of CPC as part of plug and play facilities for MSEs.

3.3.3 Enabling Basic Infrastructure:

i. It will include site development including development of industrial plots, boundary wall, roads, drainage, water supply, electricity supply, Solid waste management plant, effluent treatment plant, telecommunication lines, parking bay including traffic management system, weighbridges etc at the PPC and CPC level. However, of the total proposed cost of Solid waste management plant, cost not exceeding Rs.5 crore shall be considered as eligible project cost for grant assessment.

*Note: In MFPI- Mega food park scheme, there will be a provision for establishment of captive power plant with a maximum project cost of Rs.10.00 cr. which is also eligible for grant. In AP Food Processing Policy- Mega food park scheme Solid waste Management plant is added and will be considered for eligible project cost for grant.*

3.3.4 Non-core Infrastructure:

i. It will consist of support infrastructure such as administrative buildings, training centre including equipment, trade and display centre, crèche, canteen, worker’s hostel, offices of service providers, labour rest and recreation facilities, marketing support system, etc. However, the cost of non-core infrastructure facilities not exceeding 10% of the eligible project cost, would be eligible for grant purpose.
3.3.5 Project Implementation Expenses:
   i. This would include cost of hiring the services of domain consultants by the SPV’s for preparation of DPRs, supply chain management, engineering/designing and construction supervision etc.

3.3.6 Land:
   i. At least 50 acres of land for the project shall be arranged by the SPV either by purchase or on lease of at least 25 years with sublease eligibility. The registered value of such land would be taken as part of the project cost and contribution/share of the SPV. The Go AP grant shall not be used for procurement/purchase of land.

4. Implementation Process:

4.1 Special Purpose Vehicle (SPV)
   4.1.1. The responsibility of execution, ownership and management of the Mega Food Park would vest with a Special Purpose Vehicle (SPV) registered under the Companies Act.

   4.1.2. The Anchor Investor in the SPV holding majority stake, with or without other promoters of the SPV, will be required to set up at least one food processing unit in the park with an investment of not less than Rs. 10 cr. The Anchor Investor will have at least 51% stake in such processing unit(s).

   4.1.3. The Food Processing unit(s) to be set up by the Anchor Investor in the Mega Food Park will be completed and commissioned along with the commissioning of the Mega Food Park project by the SPV.

   4.1.4. The preference for sanctioning assistance under the Scheme may be given to those SPVs which focus on processing of wide range of perishable products

4.2 Eligibility Criteria for SPV

   4.2.1. The main eligibility criteria of the SPVs, which shall act as Implementing Agencies (IAs) of the project under the Scheme, are indicated below:

      i. SPV shall be a body corporate registered under the Companies Act.
      ii. The promoter holding maximum equity in the SPV will be the lead promoter. The lead promoter will be primarily responsible for co-ordination with all stakeholders including with the APFPS to ensure effective implementation of the project.
      iii. The combined net worth of the promoters/proposed shareholders of SPV should not be less than Rs.50.00 cr. Each member in SPV must have a net worth at least 1.5 times of his/her proposed equity contribution in order to ensure requisite contribution for the project from each shareholder.
      iv. The SPV needs to bring in at least 20 percent of the total project cost as equity.
      v. Every SPV will publish the user charges/hiring rates for common facilities and lease rental rates for plots and factory buildings for MSEs in the Mega Food Park on their websites for wider information of the prospective investors. Rate of plots in the Mega Food Park may also be made available to APFPS for uploading on their website. SPVs are not permitted to sell plots/facilities in Mega Food Parks and can only give plots/facilities on lease to other food processing units.
      vi. The common facilities in the park cannot be sold or leased out. They can only be offered to units on rental basis.
4.2.2. As Implementing Agency, the SPV would be responsible for the following:

i. To formulate the Detailed Project Report (DPR) and execute the project in a transparent, efficient and timely manner.
ii. To procure/purchase land and ensure external infrastructure linkages for the project.
iii. To obtain statutory approvals/clearances including environmental clearances, which are prerequisite for commencement and operation of the Project.
iv. To achieve financial closure and ensure completion of the project.
v. To own and maintain the common infrastructure including common facilities.
vi. To receive grant-in-aid under the Scheme, and to ensure its utilization in a transparent and judicious manner.
vii. To maintain proper accounts of the project implementation and the maintenance of infrastructure and common facilities after commissioning of the project.

4.3. Program Management Agency (PMA)

4.3.1. The APFPS will appoint a Program Management Agency (PMA) to assist it in implementation of the Scheme. The PMA will be a reputed institution with extensive experience in project development, management, financing and implementation of infrastructure projects.

4.3.2. The envisaged role of PMA is as follows:

i. To assist the APFPS in organizing workshops/media campaigns aimed at sensitizing the potential stakeholders about the scheme.
ii. To assist the APFPS in inviting Expression of Interest for projects under the Scheme.
iii. To assist the APFPS in selection of projects through evaluation/appraisal of techno-feasibility reports and DPRs submitted for Mega Food Park projects. Appraisal of the DPRs will include examination of financial viability and sustainability of Ownership & Management structure of the projects.
iv. To assist in the evaluation of any amendments to the projects/DPRs.
v. To assist the SPVs in achieving financial closure and obtaining necessary clearances from various authorities for the Project.
vi. To assist the APFPS in release of the grant under the Scheme.
vii. To monitor and report the progress of the Mega Food Park projects to the APFPS.
viii. To maintain and update the database of the projects on monthly basis in the software decided by the APFPS.

4.4. Project Management Consultant (PMC)

4.4.1. In addition to the PMA, for ensuring smooth implementation of projects at ground level, APFPS will provide a list of Project Management Consultants (PMC) with experience in preparation of DPRs for large projects and in project implementation. Any of these APFPS’s empanelled agencies may be engaged by the SPVs for preparation of DPRs and for assistance in implementation and the cost of which would be considered as one of the eligible components of the project. However, such cost should not exceed 2% (inclusive of taxes) of the eligible grant amount of the project. The list of agencies will be provided by APFPS.

4.4.2. In addition to assisting SPV in finalising business plan and preparing Detailed Project Report for the project, which would meet the guidelines of the Scheme and requirements of banks/financial institutions providing term loan for the project, the envisaged role of PMC, inter-alia, would be as follows:
i. Detailed engineering and design including preparation of detailed cost estimates for various project components/facilities,

ii. Assistance to SPV in preparation of a procurement policy, bid documents and selection and appointment of contractors/equipment suppliers in a transparent manner, for project construction and supply of plant and machinery,

iii. Monitoring and overseeing the work output of the contractors/equipment suppliers in compliance of the terms and conditions of the contracts/appointments with the objective of ensuring quality, completeness and compatibility of the work carried out in relation to the Project,

iv. Assistance to SPV in preparing all necessary documentation for submission to APFPS in order to facilitate release of funds sanctioned under Scheme

v. Assistance to SPV in submission of Monthly Progress Reports to APFPS in prescribed format.

4.4.3. SPV would enter into an agreement with PMC as per Draft Agreement prepared by the APFPS and any change in PMC later needs to be approved by the APFPS.

4.4.4. While PMC would be working primarily with SPV for smooth implementation of the project, the APFPS may, if required, directly seek reports from PMC on the aspects of project implementation.

4.5. **Invitation of Proposals:**

4.5.1. In response to the notice inviting Expression of Interest (EoI) by APFPS for selection of Projects, a proposal for the proposed Mega Food Park will be submitted by the promoters/SPV. An illustrative list of points to be covered in the proposal along with EoI is provided at Annexure-B. The proposal will be evaluated by the APFPS through the PMA, as per illustrative criteria given at Annexure-C.

4.5.2. The proposal would have tentatively identified the locations of the CPC and PPCs, availability of land, potential investors for food processing units in the park, proposed level of investment including the estimated project cost and the proposed means of finance, the number and type of food processing units, and requisite backward and forward linkages. The proposals having ownership and possession of suitable land with Change in Land Use (CLU) for the project will be given preference.

4.5.3. *Suo Motu* proposals will also be considered, for which a Swiss Challenge process would be adopted for Sanction

4.6. **In-Principle Approval**

4.6.1. The proposal received in response to the EOI proposals will be evaluated by the Program Management Agency (PMA). The applicants will be invited to make a presentation of their proposals before the Screening Committee (SC) to be formed by Govt. of AP for the purpose.

4.6.2. The PMA will undertake evaluation on a scale of 100 points on the basis of EOI proposals while the SC will provide their comments / observations on the basis of the presentation made by the applicants. The final evaluation report along with the comments / observations of the SC will be placed before the State Level Empowered Committee (SLEC) for consideration of “In-Principle Approval” to the projects. The evaluation criteria for PMA is placed at Annexure-C.
4.6.3. If the SPVs fail to submit the requisite DPRs along with other documents needed for Final Approval, within 6 months from the date of issue of “In-Principle Approval”, the “In-Principle Approval” will be automatically cancelled, unless extension of time is granted by the APFPS.

4.7. Final Approval

4.7.1. Project will be accorded Final Approval on fulfilment of the following conditions:

i. Submission of Detailed Project Report (DPR) consisting of technical, commercial, financial and management aspect of the project and its appraisal/recommendations of the PMA and Screening Committee. The DPR should include cluster analysis depicting availability of raw materials, legible contour survey report and contour plan/maps of the proposed land, site analysis for element like soil analysis, flood history, onsite features etc. for realistic cost estimate of land development and construction, detailed master plan along with sectional drawings and building plan with legends giving clear picture/title of drawings and other relevant details, construction cost certified by Chartered Engineer, cost of plant and equipment backed with quotations from equipment and machinery suppliers etc. and its appraisal/ recommendations of PMA and Screening Committee.

ii. Submission of proof for possession of at least 50 acres of contiguous land by the SPV for the CPC. The land should have permission for change of land use for industrial/infrastructure purposes.

iii. Submission of proof for incorporation of SPV and execution of Share Subscription Agreement (SSA) amongst the members of SPV, as per draft SSA to be given by the APFPS.

iv. Plan to fund the project duly supported by proposed equity contribution clearly suggesting respective cash contribution from each of the shareholders in proportion to their equity holding and sanction letter of term loan from the bank along with bank appraisal report.

v. Proof of appointment of Project Management Consultant (PMC). The PMC for the project should be selected from the agencies empanelled by APFPS.

5. Dovetailing of Assistance and Revisions in Project Cost

5.1. Considering the complexities and challenges associated with a supply chain linked agricultural infrastructure projects of this nature, the SPV may dovetail assistance available under various other schemes of Central and State Governments, which would improve the viability of the projects. While dovetailing such assistance, it will be ensured that there is no duplication of assistance for the same component/activity of the project.

5.2. The revision in project cost after final approval of the project shall be considered by the SLEC.

6. Release of Funds

6.1. Once the project is accorded Final Approval by the SLEC the grant will be released by the APFPS subject to fulfilment of conditions prescribed for each instalment as below:

6.1.1. First Instalment of 30 percent of total grant under the Scheme will be released subject to fulfilment of following criteria:
i. Establishment of Trust and Retention Account and signing of the TRA Agreement with any Schedule - A Commercial Bank and Regional Rural Banks (RRB). Draft TRA Agreement, clearly giving mode of account operation and duties/responsibilities of lending bank, SPV and PMC, would be shared by the APFPS with SPV.

ii. Representative of State Government will be appointed as a nominee on the board of the SPV. Tenure of the nominee will be co-terminus to the operationalization of the project.

iii. Proof of increase in authorized capital of SPV to allow stipulated equity contribution as per approved means of finance for the project.

iv. Expenditure certificate from Chartered Accountant confirming expenditure of at least 10 percent of the eligible project cost.

v. Award of contracts worth at least equivalent to 30 percent of total project cost including at least 20 percent of approved components of basic enabling infrastructure.

vi. Recommendation of PMA confirming the fulfilment of above conditions.

6.1.2. Second Instalment representing 30 percent of approved grant assistance will be released to SPV subject to fulfilment of following criteria:

i. Utilization Certificate for the 1st instalment.

ii. Proof of proportionate expenditure by SPV (including term loan and equity) of the eligible project cost equivalent to percentage of grant released as 1st instalment.

iii. Proof of proportionate contribution by SPV (including term loan and equity) in TRA account, of the eligible project cost equivalent to percentage of grant to be released as 2nd instalment.

iv. Submission of documents in lieu of proof of possession of land for all PPCs along with construction schedule.

v. Proof of commencement of construction of Standard Design Factory sheds for SMEs.

vi. Recommendation of PMA confirming the fulfilment of above conditions.

6.1.3. Third Instalment representing 20 percent of approved grant assistance will be released to SPV subject to fulfilment of following criteria:

i. Utilization Certificate for the grant released as 2nd instalment.

ii. Proof of proportionate expenditure by SPV (including term loan and equity) of the eligible project cost equivalent to grant released as 2nd instalment.

iii. Proof of proportionate contribution by SPV (including term loan and equity) in TRA account, of the eligible project cost equivalent to percentage of grant to be released as 3rd instalment.

iv. Certificate from PMC confirming completion of at least 40 percent of construction of PPCs and proof of expenditure of at least 40 percent of the total proposed cost for PPCs as per approved DPR

v. Certificate from PMC confirming completion of at least 50 per cent construction of Standard Design Factory sheds for SMEs

vi. Proof of allotment of at least 25 per cent of total allotable plots.

vii. Recommendation of PMA confirming the fulfilment of above conditions.

6.1.4. Fourth and final Instalment representing 20 percent of approved grant assistance will be released to SPV subject to successful completion of project and commencement of operations. The criteria for completion of project are as follows:
i. Utilization Certificate for the grant released as 3rd instalment.
ii. Proof of expenditure of 100% envisaged contribution of SPV including term loan and equity on the approved project components.
iii. Certificate from PMC confirming completion of the project as per approval.
iv. Proof of allotment of at least 75 percent of total allotable plots and commencement of operations in at least 25 percent of the units.
v. Completion and Commissioning of the Processing unit(s) of the Anchor Investor in the Park.
vi. Recommendation of PMA confirming the fulfilment of above conditions.

6.2. Separate bank account as stipulated in Trust & Retention Account (TRA) Agreement shall be kept by the SPV for the funds released by Government of Andhra Pradesh.

6.3. In the event of any SPV withdrawing from executing a project before utilizing the Government assistance, the SPV has to immediately return the Government assistance together with the interest accrued thereon, in accordance with provision laid under GFR 19 as defined by Government of India.

6.4. SPV shall have to submit a Utilization Certificate (UC) for utilization of amount of grant released by the Government as per provisions of General Financial Rules. A format of the Utilization Certificate (UC) is given as per Annexure-E.

7. Time Schedule

7.1. The time schedule for completion and operationalization of project will be 30 months from the date of issuance of final approval and 10 months for submission of documents for release of 1st instalment unless extended by SLEC for the reasons to be recorded.

7.2. The SPV shall make all possible efforts to complete the projects as per the stipulated timelines committed to while seeking approval for the project. In case of non-adherence to stipulated timeline, except in case of force de majeure or reasons beyond the control of SPV, the SLEC may consider imposing appropriate penalty in terms of reducing the grant amount, on case to case basis.

8. Project Monitoring and Evaluation

The APFPS will periodically review the progress of the projects under the Scheme. The PMA would devise a suitable project monitoring system and shall furnish monthly reports/returns to the APFPS on the progress of the approved projects. In so far as interpretation of any of the provisions of these Guidelines is concerned, the decision of the SLEC shall be final.
Annexure-B

The list of the Points / Information to be covered in the EoIs / Proposals

(The objective of this Checklist is to facilitate the potential promoters to submit the proposal covering the salient features of the proposed Project, to enable the assessment of the project against the criterion as listed in Annexure B)

1. Profiles of the Promoters who will be the key shareholders of the Proposed SPV
   
   1.1. Names and brief profiles of the proposed promoters/shareholders of SPV along with their contact details.
   1.2. Indicate the nature and location of existing operations of the Promoters.
   1.3. Audited balance sheets for last 3 years or Chartered Accountant (CA) Certificates that would establish the net worth of each of the promoters. In case of companies, CA certificates need to be certified by their statutory auditors.
   1.4. Experience of the key promoters related to food processing industry and related infrastructure development, particularly the relative strengths of each of the promoters that will help in the smooth execution of MFP.
   1.5. A brief note as to why the promoters are keen to undertake the Mega Food Park project, their vision etc.
   1.6. In case the SPV is already registered, the details of the SPV including shareholding pattern.
   1.7. Any other relevant information that would establish the credentials and suitability of the promoters in the context of the Scheme.

2. Profile of the Proposed Project

   2.1. Rationale for proposed cluster/location in terms of availability of agricultural produces and marketable surplus, with focus on perishable produces.
   2.2. Proposed Area and availability of requisite land for establishment of central processing centre (CPC), primary processing centres (PPCs) and collection centres (CCs) along with tentative layout of the CPC and a typical PPC/CC.
   2.3. In case of CPC, selection of site needs to be justified in terms of connectivity and availability of basic infrastructure including power, water, approach road etc.
   2.4. In case of land being available with promoter(s), proof of possession of land in form of sale deed/lease deed (CLU if applicable).
   2.5. Details of the proposed core processing facilities (both at CPC and PPCs) and rationale for their selection in terms of availability of raw materials/market and type of food processing units being targeted.
   2.6. Details of proposed enabling basic infrastructure including requirements of basic utilities like power, water, effluent treatment (both at CPC and PPCs) along with rationale in terms of overall business plan
   2.7. Details of proposed non-core infrastructure (both at CPC and PPCs) and their justification
   2.8. Above details for various project components should include area required, estimated capacities and costs for various facilities
   2.9. Proposed strategy/methodology for building supply chain to ensure supply of raw materials, particularly fruits and vegetables, to the food processing units inside CPC, including estimated quantities
   2.10. Proof of backward and forward linkages in terms of letters of intent from farmers’ bodies and food processors respectively
   2.11. Estimated turnover of the proposed food processing industry units covered in the
2.11. Project, after successful execution of the project

2.12. Estimated employment generation out of implementation of the project, and other impact on the industry and farm produce in the project area

2.13. Investment details, mix of the products and processes and area requirement of the processing unit(s) to be set up by the Anchor Investor in the park.

3. Project Financials and Business Plan

3.1. Summary of estimated cost of each of the eligible components of the project for funding by Government as outlined in the Scheme

3.2. Proposed means of finance to fund the project: equity, debt etc

3.3. The amount of grant support needed for the project, as per the Scheme

3.4. Tie-ups with Financial Institutions/Banks, if any, for funding of the Project

3.5. Proposed Business Plan – Estimated revenue sources and assumptions, Estimated operating costs and assumptions, Projected profit and loss statements, balance sheets and cash flows based on these assumptions

3.6. Key financial indicators such as IRR, DSCR based on above financial assumptions

1. **Objectives:**

1.1 The objective of the scheme is to provide integrated and complete cold chain and preservation infrastructure facilities without any break, from the farm gate to the consumer from the production site to the market. Pre-cooling facilities at production sites, reefer vans, and mobile cooling units also assisted under the Integrated Cold Chain projects. Scheme helps linking groups of producers to the processors and market through well equipped supply chain.

2. **Components of the Scheme:**

2.1 The Scheme have the following components:

(a) Minimal Processing Centre at the farm level with facility for weighing, sorting, grading waxing, packing, pre-cooling, Control Atmosphere (CA)/ Modified Atmosphere (MA) cold storage, normal storage and Individual Quick Freeze (IQF);

(b) Mobile pre-cooling vans and reefer trucks;

(c) Distribution hubs with Control Atmosphere (CA)/ Modified Atmosphere (MA) chambers/ cold storage/ Variable Humidity Chambers, Packing facility, Cleaning in Process (CIP) Fog treatment, Individual Quick Freeze(IQF) and blast freezing;

(d) Irradiation facility.

2.2 Irradiation facilities may also cover warehousing, cold storage facilities etc. for storage of raw material and finished products for efficient utilization of the facility.

2.3 To avail financial assistance under the scheme, any two of the components from among (a), (b) or (c) above have to be set-up by the entrepreneurs considering the functional nature of the facility. Irradiation facility can be treated as a standalone one for the purpose of availing grant.

3. **Eligible Sectors:**

Following industries are eligible to be covered under the scheme:

(a) Horticulture- All fruits & vegetables products etc.
(b) Agriculture - Agri. products.
(c) Dairy– All milk and milk products, etc.
(d) Meat– All meat and meat products etc.
(e) Any other horticultural & agricultural food products requiring integrated cold chain.

**Note:**

The cold chain scheme under NMFP is for Non-horticulture produce only. In AP Food Processing Policy, all sectors are covered except Marine / Fisheries.

4. **Invitation & Selection of Proposals:**

In response to the notice inviting proposals by APFPS, application along with the required documents are to be submitted by the applicants. The proposal will be evaluated by the empanelled consultants / PMA appointed by APFPS as per criteria given at serial no:12. The evaluation reports will be placed before the State Level Empowered Committee (SLEC) for consideration of “Approval” to the projects.
5. **Eligibility Conditions:**

The eligibility conditions of applicants are asunder:

5.1. The applicant should have sound financial background. The net worth of the applicant(s) should be more than 1.5 times of the grant applied for.

5.2. The project proposals are required to be duly appraised by the bank/financial institution and avail term loan. The term loan will not be less than 10% of the project cost.

5.3. Project Appraisal Report from Bank/Financial Institution must contain the entire project components for which grant are sought.

5.4. Date of commercial production should not be prior to the date of submission of application.

5.5. No second proposal from the same applicant/company would be considered.

5.6. Those units which obtain term loan on subsidized interest rates is eligible for investment subsidy only.

6. **Ineligible components:**

6.1 The following items of civil works will not be considered for grant-in-aid (The list is only indicative and not exhaustive)

   a. Compound wall
   b. Approach Road
   c. Cost of Land and Its development
   d. Any residential building or rest room / guest house
   e. Canteen
   f. Labour Rest Room and quarters for workers
   g. Security/Guard Room or enclosure
   h. Consultancy Fee, taxes, etc.,
   i. Non-technical civil works not directly related to cold chain or storage infrastructure.

6.2 The following items of Plant and machinery will not be considered for grant-in-aid (The list is only indicative and not exhaustive)

   a. Margin money, working capital and contingencies
   b. Fuel, consumables, spares and stores
   c. Computers and allied office furniture
   d. Transport vehicles other than the Reefer trucks /vans/ refrigerated carrier/ insulated milk tankers.
   e. Second hand/old machines
   f. All types of service charges, carriage and freight charges
   g. Closed Circuit TV Camera and security system related equipment
   h. Consultancy Fee, Taxes, Freights, etc.
   i. Stationery items
   j. Plant & Machinery not directly related to cold chain or storage infrastructure.
7. **Financial assistance:**

(i) **Grant-in-aid:** Grant-in-aid is permitted @ 35 per cent of the bank appraised project cost including Interest during Construction (IDC), subject to a maximum of Rs. 5 crore per project. The cost of land and pre-operative expenses will not be eligible for the purpose of calculation of grant-in-aid.

(ii) **Interest-subsidy:** The interest subvention is extended for a period of 5 years from the date of completion of the project. Every year the interest subsidy @ 7 per cent will be paid to the Bank/FI directly against the term loan sanctioned by it, subject to a maximum of Rs. 2 cr. per project or actual interest accrued on term loan, whichever is less.

7.1 **Interest during construction**

IDC would be provided to the actual period taken for completion of the project or 18 months from the date of approval of the project, whichever is less.

*Note:*

In NMFP, 90% Grant-in-aid for Renewable Energy based pilot cold chain projects has given. In A P Food Processing Policy, the sector is not considered.

8. **Documents required:**

i. Application in the prescribed format *(Annexure-I)*

ii. Detailed project report.

iii. Sanction letter of term loan from bank/financial institutions, if any

iv. Appraisal report from Bank/Financial Institution

v. Certificate of Incorporation/registration of the organisation, Memorandum and Articles of Association and Bye laws of the society (if applicable) partnership deed etc.

vii. Blue Print of the building plan approval

viii. Notarized English version of land document (In case it is in any of the regional languages)

ix. Item wise and cost wise details of Technical civil works envisaged duly certified by Chartered Engineer (Civil).

x. Item wise and cost wise details of Plant & Machinery envisaged duly certified by Chartered Engineer (Mechanical).

xi. Quotations from the suppliers of Plant & Machinery and equipment’s etc. required for the project

xii. *Availability of raw material and Letter of intent (LOI) / MOU for procurement of raw material from suppliers*

xiv. Process Flow diagram

xv. Entrepreneur’s Memorandum (EM)

xvi. Implementation schedule indicating (a) date of acquiring land, (b) date of start of construction of building (c) date of completion of building (d) date for placing order for plant & machinery and date of installation/erection (f) date of trial production/running and (g) date of commercial production/running.

xvii. An affidavit duly executed on non-judicial stamp paper of Rs.100/- or more duly notarised by Notary Public affirming.

a) that the organisation’s sister concern(s)/related company/group company as well as the applicant company itself has not availed any
financial assistance for a food processing project in the past from Andhra Pradesh Food Processing Society (APFPS). If yes, the details thereof.

b) that the organisation has not obtained/applied for or will not obtain any grant/subsidy from any Ministry of Central Govt. /GOI organisation/agencies and State Government for the same purpose/activity/same components. If yes, the details thereof.

9. Release of Grant: The grant-in-aid amount will be released in three instalments after the beneficiary has spent his share as per the following schedule

9.1 Release of 1st Instalment:

1st instalment of 25% of the total grant under the scheme will be released after ensuring that 25% of the promoters contribution and 25% of the term loan has been spent on the project. The applicant will have to submit the following documents along with the request for the 1st Instalment.

I. **Duly notarized Surety Bond** – To be executed by the beneficiary company on Non-Judicial stamp paper of not less than Rs. 100/- [Appendix-A].

II. **Duly notarized Affidavit** – To be executed by the beneficiary company on Non-Judicial stamp paper of not less than Rs. 100/- [Appendix-B].

III. **Bank Certificate** certifying that they have released 25% of term loan and have no objection on release of 1st instalment of grant being provided by state [Annexure-C].

IV. **Chartered Accountant Certificate** – Actual expenditure incurred on the project showing the means of finances and 25% utilization of Promoters contribution, 25% of Term loan [Appendix-D].

V. Invoices/receipts from the suppliers/vendors.

VI. Bank statement highlighting the payment made to suppliers

VII. Certificate of the Chartered Engineer (Civil) for technical civil works indicating item wise progress, cost, quantity, manufacturer/supplier and comment on quality.

VIII. Certificate of the Chartered Engineer (Mech.) for Plant & Machinery indicating item wise progress, cost, quantity, manufacturer/supplier and comment on quality.

IX. Compliance of conditions imposed in the approval letter of the grant-in-aid, if any.

X. **Site inspection of Consultant / PMA to ascertain the physical progress and assess the eligible project cost to arrive and release of Grant-in-aid.**

XI. **Submission of Statutory clearances / approvals**

   a. Consent for Establishment from Pollution control board
   b. Approval of Building plan
   c. NOC from Gram panchayat

9.2 Release of 2nd Instalment:

The second instalment of 50% of the total grant may be released by the competent authority based on submission of the documents on utilization of the first instalment of the grant released and also the utilization of 75% of the Term Loan and 75% of the Promoter’s contribution.

I. **Utilization Certificate** – Duly certified by the C.A. and countersigned by the Bank and promoter of the beneficiary company [Appendix-E]

II. **Bank Certificate** – certifying that they have released 75% of term loan and 1st instalment of grant released by the State. They have no objection in releasing 2nd instalment of grant being released by States [Annexure F]
III. **Chartered Accountant Certificate** – Actual expenditure incurred on the project showing the means of finances and 75% utilization of Promoters contribution, 75% of Term loan and 1st instalment of released grant. *(Appendix-D)*

IV. **Certificate of the Chartered Engineer (Civil)** for technical civil works indicating item wise progress, cost, quantity, manufacturer/ supplier and comment on quality.

V. **Certificate of the Chartered Engineer (Mech.)** for Plant & Machinery indicating item wise progress, cost, quantity, manufacturer/ supplier and comment on quality.

VI. Bank statement highlighting the payment made to suppliers

VII. Compliance of conditions imposed at the time of release of 1st Instalment of grant, if any.

VIII. *Site inspection of Consultant / PMA to ascertain the physical progress and assess the eligible project cost to arrive and release of Grant-in-aid.*

**9.3 Release of 3rd Instalment:**

The Third and final instalment of the grant may be released by the competent authority based on submission of the documents specified below by the unit the first and second instalment of the grant released and also the utilization of 100% of Term Loan and 100% of Promoter’s contribution.

i. **Utilization Certificate** – Duly certified by the C.A. and countersigned by the Bank and promoter of the beneficiary company *(Appendix-E).*

ii. **Bank Certificate** – certifying that they have released 100% of term loan and 2nd instalment of grant released by the State. They have no objection in releasing 3rd instalment of grant being released by State *(Annexure-F).*

iii. **Chartered Accountant Certificate** – Actual expenditure incurred on the project showing the means of finances and 100% utilization of Promoters contribution, 100% of Term loan and 2nd instalment of released grant. *(Appendix-D).*

iv. Bank statement highlighting the payment made to suppliers

v. Certificate of the Chartered Engineer(Civil) for technical civil works indicating item wise progress, cost, quantity, manufacturer/ supplier and comment on quality.

vi. Certificate of the Chartered Engineer (Mech.) for Plant & Machinery indicating item wise progress, cost, quantity, manufacturer/ supplier and comment on quality.

vii. Compliance of conditions imposed at the time of release of 2nd Instalment of grant, if any.

viii. *Site inspection of Consultant / PMA to ascertain the physical progress (start of commercial operations) and assess the eligible project cost to arrive and release of Grant-in-aid.*

ix. Before release of 3rd & final instalment of grant-in-aid, eligible grant-in-aid for the project will be re-calculated based on the proposed/appraised /actual cost, whichever is less, for the already approved items and released accordingly.

x. **Submission of Statutory clearances / approvals**  
   a. Consent for Operations from Pollution control board  
   b. Approval from Fire & Safety Department  
   c. License from FSSAI  
   d. Electricity load release certificate

**9.4 Release of Interest subvention:**

The sanctioned Interest subvention is released for every 6 months after completion of every half-year i.e., 31st March for first half year and 30th September for second half year for 5 years from the date of Commercial production after submission of the following documents:
i. Request letter from Promoter
ii. Bank Statement highlighting the interest paid on term loan to the Bank
iii. No objection letter from bank for releasing the sanctioned interest subvention.
iv. CA certificate showing the amount of interest paid for term loan on monthly / quarterly for the respective 6 months.
v. Production details – month wise (in MTs / KLS)
vi. Sales of the unit – month wise (Rs.in crores)

10. Implementation and Monitoring of the projects sanctioned:

The implementation schedule for the projects would be about 18 months from the date of the issue of approval letter unless extended by the competent authority for the reasons to be recorded in writing.

11. Recall of Grant:

   The Government will have the authority
   a. If the project is not completed in time within the approved project period.
   b. If the project is not completed even within the extended project period approved by competent authority.
   c. If the institute / organization become non-functional or said activity / organization is closed before 6 years from the date of Commercial operations. In such cases, all incentives/concessions sanctioned are liable to be cancelled and the incentives/concessions already availed are liable for recovery.
   d. Break-in-production up to a period of one and half (1 1/2) years due to the reasons beyond its control such as shortage of raw-materials, power and change of management, etc. may be condoned by SLEC on merits. Any break-in-production will result in extending the six (6) years continuous production condition by the period of such break.
   e. If the unit shall not submit the Audited reports of every financial year for a period of 6 years, with in 4 months from completion of respective financial year.

12. Evaluation Criteria:

The received proposals will be evaluated as per the following given criteria.

1. **Objectives:**
The objective of the scheme is creation of effective backward linkages through setting up of processing and preservation facilities at village level to enhance shelf life of perishable produces.

2. **Salient Features of the Scheme:**
The Scheme has the following components:

   (i) Minimum land requirement will be 1-2 acres.
   (ii) Minimum Processing Facilities at the firm level which may include facilities for weighing, cleaning, sorting, grading, packing, pre-cooling, Controlled Atmosphere (CA)/Modified Atmosphere (MA), Cold Storage, Dry Warehouses and Individual Quick Freezing (IQF).
   (iii) Mobile Pre-cooling trucks and reefer trucks which suitable for transportation of the perishable agricultural produce/horticulture/dairy/meat produce.

3. **Eligible Sectors:**
The Scheme is applicable to both horticulture and non-horticulture produce such as: fruits, vegetables, grains & pulses, dairy products, meat and poultry etc.

   **Note:**
   In NMFP, Fishery produce is also eligible. In A P Food Processing Policy Fishery produce excluded from the eligible sector list.

4. **Eligibility Conditions:**

   - The applicant should have some financial background to implement the project
   - The proposals for the project should be duly appraised by the bank/financial institution and avail term loan. The term loan will not be less than 10% of the project cost.
   - The appraisal report should contain all the project components for which grant is sought.
   - Units which are already under commercial production and those which may start, commercial production within 2 months from the last date of application submission are not eligible.
   - No second proposal from the same applicant/company would be considered.
   - Those units which obtain term loan on subsidized interest rates is eligible for investment subsidy only.

5. **Invitation & Selection of Proposals:**

5. Implementation Schedule

The implementation schedule for the project would be about 24 months from the date of approval / final approval of project unless extended by the SLEC.

6. Project Monitoring and Evaluation

APFPS will undertake Quarterly Review of the progress of the projects under the scheme. Besides PMA shall furnish monthly report to the APFPS on the progress achieved on the projects.

7. Recall of Grant:
   The Government will have the authority
   a. If the project is not completed in time within the approved project period.
   b. If the project is not completed even within the extended project period approved by competent authority.
   c. If the institute / organization become non-functional or said activity / organization is closed before 3 years from the date of Commercial operations. In such cases all incentives/concessions sanctioned are liable to be cancelled and the incentives/concessions already availed are liable for recovery.
   d. Break-in-production upto a period of one and half (1 1/2) years due to the reasons beyond its control such as shortage of raw-materials, power and change of management, etc. may be condoned by SLEC on merits. Any break-in-production will result in extending the six (3) years continuous production condition by the period of such break.
   e. If the unit shall not submit the Audited reports of every financial year for a period of 3 years, with in 4 months from completion of respective financial year.
Scheme for Setting up / upgrading Testing Labs (Including NABL accredited)

1. Objectives:

Setting up / up-gradation of Quality Control / Food Testing Laboratories would benefit all stakeholders in ensuring safety and quality of food products. The objectives are:

i. To analyse the samples received from food processing industry and other stakeholders.
ii. To reduce the time taken for analysis of samples by reducing transportation time of samples.
iii. To ensure compliance of domestic/international standards on food.
iv. To establish a surveillance system for monitoring the quality and composition of food.

2. Pattern of Assistance

i. Go AP will promote setup of National Accreditation Board for Testing and Calibration Laboratories (NABL) approved full-fledged testing labs, including antibiotic testing facilities, for common usage by food processing units in the state. Implementing agencies are eligible for grant limited to 50% of eligible project cost (TCW and Equipment) required for setting up/up-gradation of such laboratories focused on food processing sector, limited to a maximum of Rs.5 crore.
ii. Existing food processing units that are setting up / upgrading testing labs for use of the particular unit only, are eligible to get reimbursement of 50% of eligible project cost (Equipment cost only), limited to a maximum of Rs.5 lakh.
iii. State Government organizations and Universities (including deemed Universities), that offer courses in food processing, are eligible for grant support limited to 80% of eligible project cost required for setting up / up-gradation of full-fledged NABL approved testing laboratories, including antibiotic testing facilities.

   a. Specifically, GoAP will provide support for testing labs to be established in Acharya Nagarjuna University (ANU) in Guntur, Sri Venkateswara University (SVU) in Tirupati and Andhra University in Visakhapatnam, and technology up-gradation of testing laboratory in JNTU, Kakinada.
   b. Such testing laboratories should not be used solely for academic or R&D purposes, but should be open to food processing industry for commercial usage.
   c. Additionally GoAP will reimburse 80% of cost of 2 technical staff in such laboratories from the date of commencement of operations of the lab for a period of 3 years.

3. Documents Required:

i. Application in the prescribed format
ii. Detailed Project Report clearly indicating the total project cost (with item-wise and cost-wise break-up), Means of Finance to meet the project cost, recurring expenditure, information on availability of land and building, qualified manpower available and proposed to be hired, implementation schedule, list of lab equipment available and proposed (their cost, purpose/parameters being tested/to be tested), Technical Civil Work (TCW) and the Furniture & Fixtures required etc.
iii. Sanction letter of term loan from bank / financial institution (applicable for establishment of NABL accredited labs)
iv. Certificate of incorporation/registration of the organization, Memorandum and Articles of Association and bye laws of the society (if applicable)/ partnership deed (notarized) etc.
v. Bio-data/background of the office bearers and promoters of the organization including details such as PAN/ Voter card / Aadhar card etc.
vi. Annual reports and Audited Statement of Accounts of last two years, in case of upgradation proposals with Service Tax Registration Number.
vii. Blue Print of the laboratory building Plan.

viii. For private organizations/universities, notarized copy of land document of owned land / building or rent / lease agreement with a validity period of minimum of 15 years, preferably with an extension clause (notarized English version, in case document is in regional language). For Government organizations/Universities, certificate regarding availability of land is required.

ix. Item wise and cost wise details of Technical Civil Work (TCW) proposed, duly certified by Chartered Engineer (Civil).

x. Item wise and cost wise details of lab equipment proposed duly supported by quotations and duly certified by Chartered Engineer (Mechanical). Each proposal with list of the commodities and equipment is to be given with parameters to be tested with equipment. In case of up-gradation of lab, list of existing lab equipment with complete details are also required to be furnished.

xi. An affidavit as per Annexure B duly executed on non-judicial stamp paper of Rs.100/- or more duly notarized by Notary Public affirming: “That the organization has not obtained/applied for or will not obtain any grant/subsidy from any Ministry/Department of Central Govt./Government organization/agencies and State Govt. for the same purpose/activity/same component.”

xii. An undertaking (duly notarized) on non-judicial stamp paper, minimum value Rs.100/-, solemnly affirming that the grant will be utilized for the purpose for which it is sanctioned

xiii. Surety Bond (duly notarized) on non-judicial stamp paper of Rs.100/- by the applicants of private sector organizations, implementing agencies other than central/state government organizations/ universities. (Annex-A)

xiv. If the applicant is a Govt. organization / University / Public Sector institution and applies for assistance for 80% of cost of emoluments of two technical staff under the project, an undertaking on official letter head duly issued by the Head of the Department confirming that 20% of the monthly emolument of the technical staff to be employed under the project will be met by the applicant organization from its own resources.

xv. Site inspection of Consultant / PMA to ascertain the physical progress (start of commercial operations) and assess the eligible project cost to arrive and release of Grant-in-aid.

4. The Applicant Organization has also to confirm the following:

i. If the applicant is a Govt. organization / University / Public sector institution, the organization’s share of expenditure is borne from their self-generated funds and not from other grants received from Govt. departments/bodies.

ii. The facility created out of financial assistance from APFPS will be availed of by the food processing units for getting their products tested. The organization shall create awareness through wide publicity of such facility among the food processing units in and around the area.

iii. The gap in the means of finance between grant amount sought and approved by APFPS shall be borne by the organization.

iv. The organization has adequate funds/ source of funds to meet recurring expenditure and maintain/upgrade testing facilities.

v. The organization has availability of qualified manpower available vis-à-vis the facility created or would recruit such manpower.

vi. The organization would implement the schedule of the proposed laboratory within a period of 2 years from the date of release of 1st installment.

vii. The time period by which NABL accreditation would be obtained for the parameters to be tested after setting up/up-gradation of lab with APFPS assistance.

For proposals pertaining to up-gradation of an existing laboratory (standalone), it has to be confirmed that NABL accreditation has been obtained for existing parameters being tested.
5. **Procedure for Approval and release of grant:**

   a. All proposals received for financial assistance will be evaluated by empanelled consultants of APFPS / PMA appointed by APFPS. Applicant organizations will make presentations before the Screening Committee (SC) for their observations / comments.

   b. Thereafter, the evaluation reports along with comments / observations of SC will be placed before SLEC for consideration and approval.

6. **Release of Funds:**

   6.1. The sanctioned grant will be reimbursed to the Food Processing Units after submission of following documents:

1. **Objectives:**

The main objective of the scheme is to ensure proper utilization of the waste generated by FPIs in the clusters. Waste in the Food processing Industries is product specific. It is primarily organic residue of processed raw materials.

2. **Eligible areas:**

The support will be extended in the following notified clusters.

- Mango Processing Cluster – Chittoor, East Godavari, Vizianagaram districts
- Cashew Processing Cluster – Srikakulam, Vizianagaram,Visakhapatnam, and Prakasam districts
- Any other clusters identified by Go AP from time to time.

3. **Pattern of assistance:**

50% of the cost of Plant & Machinery and Technical Civil Works (TCW), subject to a maximum of Rs.2.00 crores.

4. **Eligible / Ineligible components:**

   4.1 **Ineligible items of non-technical civil works:**

   i. Compound wall
   ii. Approach Road
   iii. Administrative Office Building
   iv. Toilets
   v. Labour Rest Room and quarters for workers
   vi. Sanitation Room
   vii. Security/Guard Room or enclosure
   viii. Consultancy Fee

   In short, all expenditure on account of civil works that are not related to the production or processing is excluded.

   4.2 **Ineligible items of Plant and machinery:**

   i. Fuel, consumables, spares and stores
   ii. Electrical fixtures not mounted on the machine
   iii. Computers and allied office furniture
   iv. Transport vehicles
   v. Erection, installation and Commissioning charges
   vi. Second hand/old machines / refurbished machinery
   vii. All types of service charges, carriage and freight charges
   viii. Expenditure on painting of machinery
   ix. Consultancy Fee
   x. Stationery items

5. **Eligibility Conditions:**
The eligibility conditions of applicants are as under:
